

Pump Units NTHE

NTHE

PDFダウンロード 

- **Applications**

Full automatic washing machines, bath

- **Features**

Drive by DC brushless motor with long life and low noise

- **Specifications**

| | | |
|-----------------------|------------------|---|
| Motor driving parts | Rated voltage | DC24V |
| | Current input | 1.4±0.3A at water load including the circuit |
| Pump parts | Method | Centrifugal pump |
| | Transfer liquid | Water(Pide water) |
| | Self absorption | Yes |
| | Flow performance | More than 10L/min at hose length 4m,head 1.2m |
| | Head performance | - |
| | Self absorption | More than 1.9m |
| Water temperature | 0 ~ 45°C | |
| Operating temperature | 0 ~ 40°C | |
