

Pump Units NTHD

NTHD

PDFダウンロード 

- **Applications**
Full automatic washing machines
- **Features**
Long life and low noise
- **Specifications**

Motor driving parts	Rated voltage	282V
	Current input	0.70±0.18A at water load including the circuit
Pump parts	Method	Centrifugal pump
	Transfer liquid	Water(Pide water)
	Self absorption	No
	Flow performance	More than 28.5L/min at hose length 1.8m,head 0.5m
	Head performance	-
	Self absorption	-
	Water temperature	0 ~ 40°C
Operating temperature		5 ~ 45°C
